Childhood

- 1 Childhood would used to be quite different from what it is today. Young
- 2 people didn't use not to have so much leisure time. Today's children may
- 3 complain about their schoolwork, but our great-grandparents would to go
- 4 out to work at a very young age. They had often been left school by
- 5 the time they were fourteen and were found a job. This meant that they
- 6 have had little free time for hobbies or leisure activities, especially when
- 7 they had been working hard all day. Of course, they got themselves used
- 8 to working long hours eventually, but it would meant that they had to
- 9 grow up very quickly. Today, we are got used to having some free time to
- 10 do things we enjoy, a luxury people in the past rarely were had.
